

30 March 2023

Dear Parents and Carers,

### **Year 11 Easter Interventions**

Thank you for your support with Y11 for Spring mocks. We need to ensure students are ready and prepared to take on the challenges of these exams and are able to achieve the grades they deserve.

Together we work at our best and therefore, please allow me to update you on our Easter interventions for Year 11. Our strategic goal remains to provide the opportunities to allow every student to get the best results they can achieve and to be the best version of themselves.

Our dedicated team of teachers have organised a series of sessions over the Easter Spring break to support progress in controlled assessments and final exams. Your child has been invited to sessions based on priority and need. It is important your child attends as many of the sessions as possible, as well as continuing with their own private study at home during the Easter Spring fortnight.

Please find enclosed a timetable of opportunities your child is able to access. Please encourage your child to attend as many of the sessions as they can. To note, there will be no catering facilities on site, your child will need to bring a packed lunch, drinks and snacks, especially for the days when a full day's study is planned.

Oasis Academy Isle of Sheppey remains committed to providing every student with the opportunities required to succeed and to meet or exceed their targets. Your support and commitment remain an essential part of our strategy and we would like to thank you again for maintaining the necessary challenge and support at home in partnership with us for these vital last weeks.

Yours faithfully
