Dear Parent/Carer,

As you are aware, Oasis Academy Isle of Sheppey continue its drive to raise standards for our students. High expectations of uniform set the tone for the pride in learning we expect from all students. Visitors to the academy have noticed and commented how smart many of the students appear however there are some students not adhering to these expectations.

We would like to you to address this in readiness for a good start on our return in January. This letter will hopefully assist in clarifying our expectations around uniform and equipment for all families.

For further clarification of the afore mentioned, please see the Oasis Academy Isle of Sheppey website 'Uniform' section.

The academy provides an iPad device for every student, and we do expect these to be brought to the academy every day, in its case. We are making the use of this technology in each lesson more and more frequently and so the need for this device to be brought in is important. Whilst we would prefer for it to be charged, please encourage your sons /daughters to bring it in regardless of the charge on it, we will look to facilitate this on site however please also bring their own charger is also important.

As well as this item a strong and sturdy ruck sack style school bag and a full pencil case is also expected to be brought each day.

Uniform and equipment will be checked at the start of the day on each site, consequences will be given for repeatedly forgetting this.

As a parent/carers, your assistance in enforcing the uniform and equipment policy would be gratefully received.

If there are any financial constraints to complying with the Academy Uniform policy, please do not hesitate to contact your child's year group team who will endeavour to assist or advise you.

With kind regards,

A handwritten signature in black ink, appearing to read 'A Booth', is positioned above the printed name of the Executive Principal.
