Dear Parents and Carers,

As you may be aware, a team of Ofsted inspectors visited the academy in June to conduct a review of how Oasis Academy Isle of Sheppey is performing.

We are expecting Ofsted to publish their report very shortly. All of us on the Isle of Sheppey are aware of the many challenges ahead as we seek to improve our school and meet the ambitions of our students.

On the day of its publication, I will write to you again to share the report's findings and to set out how Oasis and myself will continue our long-term commitment to build on the changes we have already started to make in our school.

With kind regards,
