

12 July 2022

Dear Parents and Carers,

Unfortunately, due to a water shortage on the island we are having to close both campuses of the Minster and Sheerness campuses tomorrow Wednesday 13<sup>th</sup> July. All being well, all students will return on Thursday 14<sup>th</sup> July; a decision will be made no later than 14:00 tomorrow. To note, this includes students who attend our Brabazon and Bridge provisions.

For continuity of learning your child will be invited to a remote lesson which they are able to access through Teams. They will not need to know which band they are in and will be able to simply accept the invitation from the member of staff who is leading the session. Please note this may NOT be the teacher your child normally has, nonetheless they are subject specialists and teach your child's year group. A register will be taken at the end of the lesson.

We have made the decision to teach three lessons over the day to ensure screen fatigue is avoided however have also included an independent cultural task. This has worked very well in previous closures.
