

March 2022

Dear Parents/Carers & Year 9 Students

Year 9 Options Evening – Wednesday 23rd March, 4pm – 6pm, Minster Campus

I write to inform you of our upcoming Options Evening which will be taking place at the Minster campus on the above date for all Year 9 students.

The evening is designed to provide key information as your child approaches the end of Key Stage 3; and for students, parents and carers to have learning conversations with subject specialists on the Key Stage 4 study curriculum moving forwards into Year 10. You will have an opportunity to meet subject teachers, discuss subject and course suitability and requirements to enable you and your child to make informed choices on which subjects to select for Key Stage 4.

There will be presentations at 4:15pm and 5:00pm from the Leadership team to guide you through the options process. Important information will be delivered which you will need to be aware of and may impact on your decision making. Throughout the evening, members of the Academy Leadership team will be available to answer any questions or concerns you may have.

I have no doubt the evening will be a huge success in equipping your child with the information and opportunities that will give them the secure basis for success and achievement at GCSE. We look forward to welcoming you and supporting your child to proceed with confidence and assurance as they progress onto Key Stage 4.

Yours faithfully
