Cultural Challenge!

We are excited to announce the launch of our weekly Cultural Challenge!

We understand that life in lockdown may have become a bit monotonous so why not try to add a bit of variety and try a different task each day?

Your General Studies teachers will send you a menu of choice at the start of the week and we ask you to complete a review on the school website at the end of the week so we can share and celebrate!

We hope you are as excited as us to join this Cultural Challenge together!

Celebrating great work!

Great effort and creativity with this work Kennedy! Well done!

Message from Ms Curran:

Delighted that our Sixth Form students continue to show their leadership in our school community with highest engagement in remote learning! Well done everyone— I am really proud to see evidence of your hard work and resilience. Keep up the good work!

This week, try exploring university towns/cities using google maps and look for places of interest—you could be living there soon! Also interested to see any photos of your pets interrupting your working from home. I lost my dog recently and miss him so much that would cheer me up.

Stay safe & stay well. Miss Curran
