I enjoy art and design. There are many traditional artists to study but I like contemporary artists like Banksy.

Keeping our minds healthy together

It's Mental Health Awareness week this week. It's important to remember that we all have mental health and like our physical health, we have to put work in to ensure it stays healthy. If you or anyone you know is struggling, talking about it helps. You can find other useful links here:

Message from Year team:

Another half-term complete in very difficult circumstances. Over the past 5 weeks we have seen some fantastic work from year 9 and have been the best year group in answering morning registration emails. I hope you have a relaxing week off and are able to smile, laugh and have fun in the sun. My target for year 9 next term is for more engagement with work set by teachers to enable us to have the best possible start for September.

Have a great week!

Mr Peters and Miss Rowland

Celebrating great work from Chantelle Cork!
