Fact of the week!

Did you know...you can hear a blue whale's heartbeat from more than 2 miles away!

Word of the week

benevolent

1. Find out what it means.
2. Write it in an impressive sentence.
3. Send to wordoftheweek@oasisileofsheppey.org

Last week's winner: Nicholas Hylands (anomaly)

I noticed that the maths sum said the year 9 student was 10 feet tall, according to data, this was an anomaly.

Message from Miss Curran:

Well done to the Top 10 students who engaged the most by submitting work over Term 5 – you should have received your postcard.

Thank you to those who completed our return to school survey – we are busy making plans to welcome you back safely. We are planning a 1:1 tutorial programme for the first week to see how you all are – details to follow. Stay safe! Miss Curran

Cultural Challenge

Don't forget to complete the review on the school website on Friday! [Cultural Challenge Review](#) New challenges will be sent out by your General Studies teacher on Monday.

PE Challenge

It is really important to incorporate at least 30 minutes of exercise into your day to maintain positive physical and mental health.

Using MS Teams

None of us like change but it is really important that we improve your learning experience and MS Teams allows us to do this. You all have access to it as you all have a Microsoft 365 account so you can download the app on your phone or find the website and download to your desktop (use your email address and password to log in). Teachers can see your work immediately and lots of praise can be given! Give it a go!

Transition to year 13: It is such a strange time to be speaking about this but it is happening regardless. That is why it is so important to ensure you are completing work set. Every step possible is being taken to ensure your safety is number 1 priority in planning for the phased return beginning 15th June. Miss Lee is sending details of this to your parents but if you are feeling overly anxious, do speak to Miss Curran. We are excited to see you - your first meeting will be an individual tutorial in Sheerness!
