### Word of the week

**benevolent**

1. Find out what it means.
2. Write it in an impressive sentence.

**Last week's winner: Nicholas Hylands (anomaly)**

I noticed that the maths sum said the year 9 student was 10 feet tall, according to data, this was an anomaly.

### Using MS Teams

None of us like change but it is really important that we improve your learning experience and MS Teams allows us to do this. You all have access to it as you all have a Microsoft 365 account so you can download the app on your phone or find the website and download to your desktop (use your email address and password to log in). Teachers can see your work immediately and lots of praise can be given! Give it a go!

### Message from Year team:

Hi Year 7,

I hope you are all safe and well.

I am so incredibly proud of all of you. You have been fantastic at checking in each day with your Mentors and completing your school work. I have seen such amazing work from you all so please keep this up. I understand lots of you are finding working from home very difficult and I hope we can all get back to normal soon. I cannot wait to see you all!

Please keep sending me your photos, I really do love seeing what you are up to and having a chat with you all.

Continue with your incredible hard work – I am issuing House points every day. You are all brilliant!

Miss Gregory and Mr Inns

**Celebrating great work from Olivia Davidson!**
