Message from Year team:

I hope you are all well. Firstly I would like to say well done this week for a much improved effort on working from home, this will have a positive impact on your future grades. As a year team we are working on setting up a live session soon to help with any queries and questions you may have with online learning. As always should you need any help or guidance please do not hesitate to email. We are hoping to organise a live assembly over the next fortnight so please do look out for an invite soon. You will need access to MS Teams; if you are using a mobile device, you just need to ensure you have downloaded the MS Teams app.
