### Message from Year team:

This week has been the second week we have welcomed back some of you to the current 'new normal' way of school. It has been scorching hot and well done to all of you who said you were coming into school and working hard throughout your time. Well done to all those who are working hard remotely on the various virtual platforms that we use. Please ensure that you continue to sign in with your mentor every day. This week some Year 10 students to part in an online resilience workshop with one of our University providers – well done to all who participated. Please ensure that you are engaging with all tasks set and stay safe.
