Message from Year team:

Hi Year 7,

I hope you all continue to stay safe and well. This is my last message for the Year 7 newsletter; I cannot believe you are all now Year 8!

As you all now know, I will not be your Year Leader in September as I will remain in Year 7. I am so incredibly proud of you all; you have been a joy to work with every day. You are all so wonderful, you have made me laugh, cry and smile along the way. Please progress into Year 8 successfully and carry on being the fabulous young people you have proven yourself to be. Continue to be sensible, hard-working, enthusiastic, polite, proud, empathetic young people.

Have an amazing Summer and keep yourselves safe. I look forward to seeing you all again soon.

Miss Gregory

Celebrating great work from Harrison C!

Class of 2020

Another school year is nearly over
A time for school trips and some fun
But a pandemic swept the globe
And everything became undone.

At the start of your last school year
No one had heard of covid-19
But before too long it was here,
And what did this all mean?

You washed your hands aplenty,
But that didn't stop the spread.
So school was closed (for most of you),
And homes were schools instead.

There was PE with Joe Wicks,
And catch ups with friends on zoom
Clapping for the key workers
Took place under the moon

The weeks went by, home schooling
went on

And the tests, they didn't occur
Weeks then turned to months,
And everything became a blur.

No end of term parties with your friends,
Having to stay home to control the disease.
Now hopefully lockdown is coming to an end,
And those measures they will start to ease.

So remember this last year of school
It surely has been unique.
The one where you overcame adversity,
And remained strong, no matter how bleak.
