### Message from Year team:

Welcome back to some of you this week. It really has been a pleasure to see you and have you back at the Academy. We have not forgotten the others who are unable to return back to school and are here to support you as well. Please ensure that you are completing all remote learning tasks and submitting them on the platforms such as SMHW, Hegarty and Bedrock. Can we please remind you that you need to register with your Mentors Monday – Thursday and not on a Friday for the rest of Term 6. It is really imperative that you engage with all your school work and start to fill any gaps in your education the best you can. Remember if you need anything, please do not hesitate to contact any of the Year 10 team. Keep well and stay safe.

**Celebrating great work from Poppy Lassnig!**
