By the end of the term we want to see the boxes turned to green ticks. We are learning this because Although it is impossible to know exact numbers of victims, we do know that modern slavery has been on the increase. Many victims work in the construction industry, in agriculture, in the sex industry, and in places like nail bars, car washes, and cannabis farms. Children are found working in all of these situations, as well as in sexual slavery. Many victims have been trafficked from overseas
